

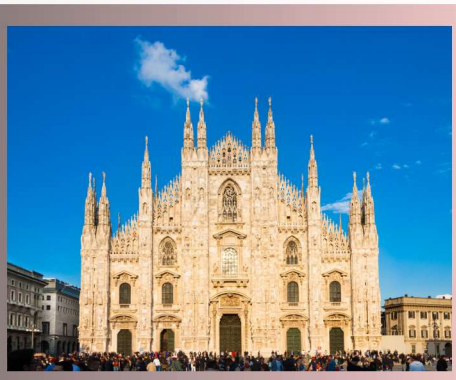
11D8N MILAN, DOLOMITES WITH SWITZERLAND

DAY 1 : CHECK IN/DEPART KLIA ✈

DAY 2 : ARRIVAL IN MILAN

Benvenuti a Milano! On arrival at the airport, your private driver is waiting to take you to hotel. The rest of the day is yours, to discover Italy's capital of style at your own pace. Climb to the rooftop terraces of the **Duomo** and walk among its forest of marble spires, then stroll beneath the glass dome of the **Galleria Vittorio Emanuele II**, the elegant "living room" of the Milanese. Wander the bohemian lanes of Brera, and as the sun sets join the most Milanese of rituals — the aperitivo — along the canals of the Navigli. Our tips for sights, aperitivo and shopping are on this page. Overnight in Milan.



DAY 3 : MILAN - COMO · BELLAGIO - MILAN

B

After breakfast, make your own way to the meeting point in central Milan, where a regular coach (up to 50 guests) and an English-speaking guide are waiting for a full day on **Lake Como**. In Como, the lakefront promenade, the marble cathedral and an age-old tradition of silk weaving tell the story of a town that has enchanted travellers for centuries. Then on to **Bellagio**, the "pearl of the lake", poised on the promontory where the lake's three branches meet: steep stone stairways, flower-filled lanes, aristocratic villas and gardens, and the mountains mirrored in the water. Free time for lunch by the lake, then return to Milan in the evening. Overnight in Milan. Please note: today's excursion is a shared group excursion on a regular coach (up to 50 guests), not a small group service

DAY 4 : MILAN - TIRANO - ST. MORITZ - BORMIO

B/D

The group journey begins at 6:30 am, steps from your hotel near Milano Centrale: your English-speaking tour leader welcomes you aboard our private coach. Northwards, the city fades into lakes and terraced vineyards until we reach Tirano, a small border town at the foot of the Alps. Here you step into the red carriages of the **Bernina Express**, the UNESCO-listed railway that climbs without a single cogwheel over spiral viaducts, past glaciers and the milky turquoise mirror of Lago Bianco to 2,253 metres, before gliding down into the Engadine. In elegant **St. Moritz** the coach is waiting to carry you back into Italy and on to **Bormio**, an ancient spa town cradled by the peaks of the **Stelvio National Park**. Welcome dinner at the hotel, then a first night wrapped in deep alpine silence

DAY 5 : BORMIO - MERANO - BOLZANO

B

Morning light on the high peaks as we leave Bormio and cross into **South Tyrol**, where apple orchards and vineyards begin to line the valley floor. **Merano** greets you with Belle Époque villas, palm trees and riverside promenades along the Passirio — the spa town where Empress Sissi came to rest. Lunch at leisure: perhaps speck, crunchy rye bread and a glass of local wine beneath the arcades. In the afternoon we reach **Bolzano** and set out with a local guide through the medieval arcades of **Via dei Portici**, the fruit stalls of **Piazza delle Erbe** and **Piazza Walther**, where Italian and Tyrolean souls live side by side. The visit ends face to face with Ötzi, the 5,300-year-old Iceman, at the South Tyrol Museum of Archaeology. Overnight in Bolzano

DAY 6 : BOLZANO - ORTISEI - ALPE DI SIUSI - SECEDA - BOLZANO

B

Today is pure Dolomites. We head into **Val Gardena** and up to the **Alpe di Siusi**, Europe's largest high-altitude alpine meadow, where a local shuttle bus carries you from Compaccio to Saltria among wooden hay barns, grazing horses and the jagged silhouettes of Sassolungo and Sassopiatto. Back in the valley, **Ortisei** invites you to linger: woodcarvers' workshops, painted façades and the ancient Ladin language heard in the street; lunch at leisure. In the afternoon the cable car lifts you to **Seceda**, 2,500 metres above the sea, where the Odle peaks rise from green slopes like a frozen wave — one of the most breathtaking views in all the Alps. Return to Bolzano for a free evening among its wine bars and lantern-lit lanes.

DAY 7 : BOLZAAMP - SANTA MADDALENA - BRESSANONE - VAL CADORE

B

Farewell, Bolzano. In the quiet Val di Funes the **little church of Santa Maddalena** stands alone among the meadows, the Odle peaks rising behind it — perhaps the most photographed view in the Dolomites, in a valley where life still follows the rhythm of the farms. A gentle walk lets you take it all in at your own pace. Then **Bressanone**, one of the oldest towns in Tyrol, with its cathedral, **Prince-Bishops' palace** and arcaded lanes; lunch at leisure. Afternoon brings the emerald waters of **Lago di Braies**, mirror-still beneath the cliffs of the **Croda del Becco**, wooden rowing boats drifting as in a painting. A scenic, little-travelled road then leads us away from the crowds into **Val Cadore**, where the evening is yours

DAY 8 : VAL CADORE - TRE CIME - MISURINA - CORTINA - AURONZO

B/D

The day you came for. The road climbs to the feet of the **Tre Cime di Lavaredo**, three colossal towers of pale rock that have become the very symbol of the Dolomites; the panorama from up here, over the **Cadini di Misurina** and endless ridges, stays with you forever. Descending, we pause at **Lake Misurina**, the "pearl of Cadore", its still waters holding the reflection of the peaks. Then on to **Cortina d'Ampezzo**, queen of the Dolomites and host of the 2026 Winter Olympic Games: lunch at leisure and time to stroll **Corso Italia** between elegant boutiques, historic cafés and the slender bell tower. On the way back, a photo stop at the green **Lake of Auronzo**, framed by forests, before a farewell dinner at the hotel, celebrating the typical products of Val Cadore.

DAY 9 : VAL CADORE - CONEGLIANO VALDOBBIADENE - VERONA - MILAN

B

Leaving the mountains behind, the road descends into the soft green waves of the Conegliano **Valdobbiadene hills**, a UNESCO World Heritage landscape where vines cling to impossibly steep slopes stitched with tiny chapels and farmhouses. At a local winery you discover how Prosecco Superiore is born, from the vineyard to the glass — and taste it right where it is made. Next comes **Verona**, the city of **Romeo and Juliet**: free time for lunch and to wander from the Roman Arena in Piazza Bra to the market stalls of **Piazza delle Erbe** and the courtyard of **Juliet's House**, with its famous balcony and bronze statue. In the afternoon we continue to Milan, arriving around 8:00–8:30 pm, where the journey ends — with the Dolomites, we hope, forever in your heart. End of services
