Day 3 : Great Ocean Road Tour

Great Ocean Road tours are a highlight for most on their visit to Melbourne and our high-quality vehicles and excellent guides will make this a day to remember. Departing Melbourne at around **8.00 am**, we enjoy panoramic views of the city and Port Phillip Bay as we cross the Westgate Bridge,. We pass by and learn a little about Victoria's second-largest city, Geelong, as we make our way down towards the Surf Coast, with its enchanting beachside towns and powerful swells.

In **Torquay**, we stop for our first opportunity to visit the beach and to enjoy a **complimentary morning tea**. Departing Torquay, we set out along the Great Ocean Road itself, as your experienced driver-guide provides informative commentary about the road's history and its place in Australian folklore.

The scenic journey along the Great Ocean Road is a highlight in itself, as we absorb some spectacular coastal scenery, with new views being revealed around every bend. We make plenty of scenic stops, including, of course, a photo opportunity at the **Great Ocean Road Memorial Arch at Eastern View**.

At the **township of Kennett River**, we make a brief detour into the sweetly-scented eucalyptus forest to locate some of the local koalas in their native habitat. There is a large koala population here and numerous sightings are guaranteed! We also have an opportunity to see colourful local birdlife, including crimson rosellas and king parrots. We then continue towards our **lunch stop in Apollo Bay** with another photo stop at Cape Patton on the way. After lunch, we follow the Great Ocean Road away from the ocean and into the mountains. The tour proceeds through the impressive Otway Ranges, where we stop to enjoy a stroll in the cool temperate rainforest. Here our guide accompanies the group through the forest, where we stop to learn a little about the world's tallest flowering trees and other ancient rainforest species.

And then it's onwards to the **world-famous Port Campbell National Park** and its iconic array of rock formations. You'll be awestruck by the majestic monoliths of the **Twelve Apostles**. **optional helicopter flight (\$145 per person)**.

A dinner stop is made on the journey back to Melbourne before enjoying a stunning view of the illuminated city as we cross the Westgate Bridge again.

- Scenic drive along the Great Ocean Road
- See the Twelve Apostles in Port Campbell National Park
- Visit the Loch Ard Gorge, the site of the Loch Ard shipwreck

Day 4 : Philip Island Penguin Parade & Brighton Beach boxes B

A Complete Wildlife Tour With **Spectacular Sights at the Penguin Parade at Sunset**

The best way to explore one of Australia's most popular holiday destinations. On this Phillip Island day tour, meet and view local wildlife at a multi-award-winning conservation park before reaching the highlight of the tour - the nightly Penguin Parade. Departing Melbourne at around midday, we journey to the city's most colourful attraction - **the iconic Brighton Beach bathing boxes** - for an opportunity to visit the beach and take some time to admire these historic landmarks.

We continue our journey to visit **Moonlit Sanctuary Wildlife Conservation Park**. Here, we enjoy a guided wildlife walk where we have the opportunity to meet and hand-feed many species of native Australian animals. Learn about iconic species such as kangaroos, koalas, emus, and wallabies, as well as some of our lesser-known favourites including quolls, owls, bandicoots, and Tasmanian devils.

Included in our visit here is the spectacular "Conservation in Action" wildlife show, which showcases several lesser-known Australian species in a series of interactive and engaging ranger presentations.

Continuing to **Phillip Island**, a visit to **Point Grant and The Nobbies** gives us an opportunity to enjoy views over Westernport Bay and Bass Strait, including **Seal Rocks, home to Australia's largest population of fur seals**.

And then it's onwards to the main event, the **Phillip Island penguin tour**. Just after dark every night, the **world's smallest penguins waddle ashore** after spending the day fishing out at sea. You'll be truly enchanted as the stars of the show emerge from the surf and pass right before your eyes on their journey back to their homes. Your guide will ensure you get the very best vantage point to enjoy the Penguin Parade.

After the parade, we allow plenty of time to explore the **visitor centre** before beginning our own journey back to Melbourne. With dropoff right back to your inner city accommodation, you'll remember this day as a true highlight of your Australian holiday
