Mt. Field National Park offers a variety of walks in Tasmania's oldest National Park. Most famous for Russell Falls & the Tall Trees we explore the various walks and regions of this diverse area which is only a 1.5 hr drive from Hobart. 公吨。 Field 国家公园在塔斯马尼亚岛最古老的国家公园内提供各种散步。 我们以罗素瀑布（Russell Falls）和高大的树木（Tall Trees）最著名，我们探索了这个不同地区的各个步行道和地区，距离霍巴特（Hobart）仅1.5小时车程。

Russell Falls is easily Tasmania's most recognisable waterfall with its 3-tiered drop. It is an easy and enjoyable walk along a beautiful track that takes us to this photogenic waterfall and beyond to Horseshoe Falls. We also make our way along the Tall Trees Track where high above us stand the giant Swamp Gums 80 metres tall. This is a series of short, spectacular walks amongst the cool and quiet rainforest, eucalypts, streams and local wildlife.

Further up into the National Park we join the **Pandani Grove Trail** which takes us around the alpine Lake

Dobson. Soak up the wilderness and surrounding mountain air in this lesser visited region of the park. Lake Dobson is often covered in a layer of ice and surrounded with snow in the winter months – just gorgeous! The vegetation dates to Gondwanaland days giving this area an enchanting and ancient feel.

We enjoy a lunch break (own cost) in one of the numerous beautiful settings at Mt. Field before continuing onwards for the day. We visit **Bonorong Wildlife Park** which is home to many of our rescued and well-loved wildlife. Tassie Devils are close up; wallabies are freely hopping around the park and many more of our local favourites are easily discovered here. To top off this very Tasmanian day we head to the summit of Kunyani/**Mt. Wellington (1271m) Hobart's iconic backdrop**. The views from the top are breathtaking and the vista is expansive. This is a fantastic way to wrap up a day exploring many of Tassie's most unique and noteworthy experiences, rainforests, waterfalls, wildlife and fabulous scenery. We return you to your Hobart central city accommodation around 5.00 – 5.30pm.
