Stretching an incredible 8km in length and 2km in width, this was a key element of the advanced hydraulic system that ensured the ancient Khmers mastered the seasonal cycle of water. Afternoon, in the center, hundreds of people streamed in and out of a small alcove where stately brass and bronze statues of **Preah Ang Chek and Ang Chom stood**. Then, you will visit at **Floating Village (Tonle Sap)**. 🍽 Breakfast/Lunch/Dinner

Breakfast at hotel. (08:00am) In the morning, pick up from your hotel. We visit the immense walled city of **Angkor Thom** that was the masterpiece of King Jayavarman VII. Following the occupation of Angkor by the Chams from 1177 to 1181, the new king decided to build an impregnable fortress at the heart of his empire. Then we begin our visit at the **Terrace of the Leper King**. This intricately carved platform was the royal crematorium and the statue that was originally thought to be the leper king is now believed to be Yama, the god of death. We continue along the **Terrace of Elephants**. At the southern end lies the **Baphuon**, once of the most beautiful temples at Angkor, dating from the reign of Uditayavarman in the 11th century. Our climax is the enigmatic and enchanting temple of the **Bayon**. Lunch at local restaurant

This afternoon, we journey out to the jungle temple Ta Prohm where Tomb Raider was filmed. **Ta Prohm** has been abandoned to the elements, a reminder that while empires rise and fall, the riotous power of nature marches on, oblivious to the dramas of human history. Then, we continue to the Mother of all temples, **Angkor Wat**. Believed to be the world's largest religious building, this temple is the perfect fusion of symbolism and symmetry and a source of pride and strength to all Khmers.
