## Day 1

# Nairobi

You've been dreaming of your safari for so long and now it's finally about to begin. You'll meet your guide who will tell you everything you need to know to get your safari started. We're as excited as you are to get your trip underway.

Amboseli may be smaller than many other Kenyan parks, but it packs a lot into a very small space. For starters, the views here are astonishing because Africa's highest mountain, Mt Kilimanjaro (5895m), looms over the park to the south. Best of all, the mountain provides a backdrop to many fantastic wildlife sightings that almost always include elephants with big tusks, as well as lions, cheetahs, hyenas, zebras, buffaloes, giraffes, wildebeests and gazelles. Birders can also look for the park's 420 different recorded species.

### Nairobi

Welcome to Nairobi, which is a wonderful place to experience modern Kenyan culture, from the museums and wildlife attractions, to its fine markets, restaurants and nightlife.
