1 ARRIVE BUENOS AIRES (2 NIGHTS) It's time to Tango your way through beautiful Buenos Aires—your launch pad to the other-worldly southern frontier of Patagonia. On arrival, your local host will welcome you and transfer you to your hotel. Relax or explore the grand boulevards and colorful barrios of Argentina's vibrant capital on your own. This evening, join your Travel Director and fellow expeditioners for a Welcome Reception. **(WR) Hotel: InterContinental Buenos Aires**

2 BUENOS AIRES SIGHTSEEING Walk in the footsteps of the porteños on your exploration of the exquisite sights of the "Paris of South America". Wind your way through the city, past the grand pink Casa Rosada, and bold, bright La Boca. View the ornate Teatro Colon and pay homage to Eva (Evita) Peron in the final resting place of Buenos Aires' most noteworthy residents, Recoleta Cemetery. Embrace Argentinian culture at a 'Be My Guest' experience this evening as you 'Connect with Locals', joining a local family in Palermo Soho who'll share their homemade family recipes, the secrets of kneading bread and the art of the passionate Tango. **(B, BMG, 🍷)**

3 BUENOS AIRES – TIERRA DEL FUEGO NATIONAL PARK – USHUAIA (2 NIGHTS) An expedition through the extraordinary landscapes of Patagonia begins today as you fly to the world's southernmost city, Ushuaia. On arrival, explore the dramatic landscapes of Tierra del Fuego National Park, Argentinian's southern-most national park on the border of Chile. Join a 'Local Specialist' to delve deep into its natural splendor. Admire its beautiful waterfalls, forests and snow-capped mountains in which the wildlife of this area find sanctuary. Keep a keen eye out for red foxes, condors, eagles and beavers. Come face to face with the biological richness of Tierra del Fuego Island and its incredible scenic beauty, enjoying views over the Beagle Channel at Ensenada Bay, the glacial waters of Roca Lake and the deep Bay of Lapataia Bay. This evening, dinner is served at your hotel on the Beagle Channel, so named for the famous HMS Beagle on which Charles Darwin once sailed the southern seas and saw glaciers for the first time. **(B, D) Hotel: Los Yamanas**

4 USHUAIA This morning, join a 'Local Specialist' and your fellow travelers for a tour of Ushuaia including a visit to the Museo Marítimo y Del Presidio, where you'll explore the history of the Prison at the End of the World and learn about the famous prisoners who were incarcerated there. Later, delve into its history as a former penal colony and missionary base on your own, or consider joining an optional cruise excursion on the Beagle Channel focusing on the scenic archipelago, wildlife and history. Learn about the great shipwrecks of the region, as well as the dogged determination of the first European explorers, who in the 19th century navigated this inhospitable region which has since had a turbulent history. Consider taking a longer excursion that includes views of lazy colonies of sea lions and Magellanic penguins, which Portuguese explorer Ferdinand Magellan first saw in the early 16th century. **(B)**

5 USHUAIA – EL CALAFATE (2 NIGHTS) Leave the "end of the world" and fly to El Calafate on the shores of Lake Argentino, the gateway to Los Glaciares National Park with its spectacular Perito Moreno Glacier. You'll have a rare opportunity to explore the otherworldly landscape of massive glaciers, interconnected fjords and mountainside glacial lakes over the next few days,

but not before perhaps tucking into the Calafate berry after which the town is named to secure your return to this mystical region. **(B, D) Hotel: Kosten Aike**

6 LOS GLACIARES NATIONAL PARK EXCURSION The day is dedicated to a deep exploration of the striking UNESCO-listed Los Glaciares National Park. Touring with a 'Local Specialist', you'll come face-to-face with its arctic blue and white glaciers that are fed by the massive South Patagonian Ice Field, milky colored glacial lakes and towering snowcapped peaks. Discover the magnificent Perito Moreno Glacier, which towers above the icy waters of Lake Argentino. You could perhaps witness massive igloo icebergs plunging into the lake with thunderous force. Experience the rugged solitude of the windswept steppe and the quiet southern beach forests, before heading back to El Calafate for an evening spent at leisure. Consider indulging all your senses savouring the town's famous Patagonian lamb paired with a delectable glass of Argentina's Malbec, or pop into the glacierium for a chilly encounter that will warm your polar heart. **(B)**

7 EL CALAFATE – TORRES DEL PAINE NATIONAL PARK (2 NIGHTS) The Patagonian Steppes give way to the granite spires of Paine, otherwise known as Cleopatra's Needles, the main features of the UNESCO-listed Torres del Paine National Park. We'll join a 'Local Specialist' to delve behind the scenes of this extraordinary frontier land that few have explored. Connect with the inspiring natural landscape, celebrating one of the world's last true wilderness areas. Wander past cascading waterfalls, roaring creeks, shimmering lakes and jagged mountain spires. Your afternoon in the park will feature the Torres towers seen from the eastern region. Observe cyanobacteria with stromatolites formations at the Laguna Amarga caldera before stopping at Blue Lagoon with its distinct cerulean blue waters. Dinner with wine awaits at your hotel. **(B, L, D) Hotel: Hosteria Las Torres**

8 TORRES DEL PAINE NATIONAL PARK SIGHTSEEING Continue your in-depth exploration of Torres Del Paine, venturing deep into the heart of the park with a 'Local Specialist'. Embark on a short hike to see natural landmarks up close and view stunning landscapes from scenic outlooks especially chosen to showcase the surrounding beauty of the area. See Puente Negro (Black Bridge) crossing the Paine River, Nordenskjöld Lookout, Sarmiento Lookout, Lake Pehoé and Salto Grande waterfall. After enjoying an alfresco gourmet box lunch, join a narrated boat trip across the length of the lake to imposing Grey Glacier, which tumbles down from the massive Southern Patagonia Ice Field. This evening is yours to relax and enjoy dinner with wine served at the hotel. **(B, L, D)**

9 TORRES DEL PAINE – PUERTO NATALES (2 NIGHTS) Follow your 'Local Specialist' on the famous "W" Trail that stretches from the northern shores of Lake Nordenskjöld, named after a Scandinavian explorer who probed much of the region in the early 20th century. Head to the snowcapped Monte Almirante Nieto, which anchors the southeastern extreme of the Paine Massif. Wander past pebbled beaches, rugged steppe landscapes and Andes shrublands on your journey. After lunch, visit the Milodon Cave, where evidence of a giant prehistoric ground sloth was found by German Explorer Hermann Eberhard. There is also evidence of prehistoric human habitation within Cueva del Milodón, dating back as early

as 6000 BC. Your base is the colorful fishing town of Puerto Natales on the Seno Última Esperanza where one of Trafalgar's 'Stay with Story' is your home-away-from-home for the next two nights. This warm, ecologically sound building, set against the backdrop of Patagonian steppes that lead up to the mountainscape beyond, lets the rugged outdoors Patagonian landscape inside. **(B, L, 🍷) Hotel: Remota Patagonia Lodge**
