A stunning day of dramatic "Wilderness, Waterfalls and Wildlife". With forest walks, up close animals and magnificent views this day tour offers "Classic Tasmania" in one spectacular day! Mt. Field National Park offers a variety of walks in Tasmania's oldest National Park. Most famous for Russell Falls & the Tall Trees we explore the various walks and regions of this diverse area which is only a 1.5 hr drive.

Russell Falls is easily Tasmania's most recognisable waterfall with its 3-tiered drop. It is an easy and enjoyable walk along a beautiful track that takes us to this photogenic waterfall and beyond to Horseshoe Falls. We also make our way along the Tall Trees Track where high above us stand the giant Swamp Gums 80 metres tall. This is a series of short, spectacular walks amongst the cool and quiet rainforest, eucalypts, streams and local wildlife.

Further up into the National Park we join the Pandani Grove Trail which takes us around the alpine Lake Dobson. Soak up the wilderness and surrounding mountain air in this lesser visited region of the park. Lake Dobson is often covered in a layer of ice and surrounded with snow in the winter months – just gorgeous! The vegetation dates to Gondwanaland days giving this area an enchanting and ancient feel.

We enjoy a lunch break (own cost) in one of the numerous beautiful settings at Mt. Field before continuing onwards for the day. We visit Bonorong Wildlife Park which is home to many of our rescued and well-loved wildlife. Tassie Devils are close up; wallabies are freely hopping around the park and many more of our local favourites are easily discovered here. To top off this very Tasmanian day we head to the summit of Kunanyi/Mt. Wellington (1271m) Hobart's iconic backdrop. The views from the top are breathtaking and the vista is expansive. This is a fantastic way to wrap up a day exploring many of Tassie's most unique and noteworthy experiences, rainforests, waterfalls, wildlife and fabulous scenery. We enjoy a variety of short walks, National Park coastal scenery & delicious local food opportunities along the way (local oysters, berries, ice-creams and hand-made chocolates!) We depart Hobart heading east then following the coastline north. We travel through the seaside towns of Orford and Swansea as we make our way to Freycinet National Park. Freycinet is one of Tasmania's first National Parks, famous for its rich and stunning coastal landscapes. Pink Granite Mountains form the backdrop for secluded bays, pristine waters, white sandy beaches, local wildlife and amazing walking trails.

As we enter the Freycinet peninsula, we have a brief stop at the Freycinet Marine Farm for anyone interested in the local oysters fresh from the surrounding waters. We walk as a group to the Wineglass Bay Lookout, a moderate uphill walk of around 45 - 60 minutes. Here the views make the walk well worth the effort! For the keen walkers, you can continue along the track that takes you down to Wineglass beach (2.5 hr return walking time). Once on the beach you have time to take a swim, relax, eat your lunch or meander along the white sands. If you prefer to select the shorter walking option, then we return from the Lookout with our Tour Guide and explore other areas of Freycinet National Park. Visit Honeymoon Bay, Sleepy Bay, Cape Tourville Lighthouse & Great Short Walk.

We re-group ready for the return journey to Launceston.
