 B

**Pickup: 07:20 AM**  
**Please be waiting at the front of the hotel**

After breakfast, Embark on a delightful journey to the Margaret River region, renowned for its wine, food, and natural attractions. Leaving Perth, we traverse through picturesque countryside and quaint coastal towns toward our first stop at Busselton, the gateway to the region. Here, we pause for a refreshing morning tea (at your own expense) and take in the awe-inspiring views of the Busselton Jetty, the longest timber jetty in the southern hemisphere. Please note that there's insufficient time to walk the full length of the jetty at this stop.

After the meal, we proceed to a selected winery (depending on availability) for a wine-tasting experience and an opportunity to learn about wine production and make purchases.

Our next destination is the Mammoth Cave, a stunning limestone formation with vast chambers that reveal interesting information about the region's flora and fauna. We then journey through the Boranup Forest, home to towering Karri Trees, to reach Augusta, where the Southern and Indian oceans meet at Cape Leeuwin Lighthouse. Marvel at the breathtaking views and snap some memorable photos.

Our final stop is the charming township of Margaret River, where we take a brief stroll along the main street.
